Dear Parents and Students,

"Christ is the foundation of the whole educational enterprise in a Catholic School.... He is the one who ennobles man, gives meaning to human life, and is the model which the Catholic school offers to its pupils ... the Catholic school tries to create within its walls a climate in which the pupil's faith will gradually mature and enable him to assume the responsibility placed on him by Baptism...the specific mission of the school is a critical, systematic transmission of culture in the light of faith and the bringing forth of the power of Christian virtue by the integration of culture with faith and of faith with living."

(Excerpts from the Vatican Declaration of the Catholic School, March 1977.)

We hope this handbook will help you become better acquainted with the policies and philosophy, and serve as the basis for cooperation and communication between home and school, which is so essential for the achievement of our common goals.

“Jesus said to them, ‘You shall love the Lord, your God, with all your mind, with all your soul, and with all your heart. This is the greatest and the first commandment. The second is like it: You shall love your neighbor as yourself.’” Matthew 22: 37-39

St. Peter Catholic School provides your child with a complete and best opportunity to realize the threefold purpose of Catholic Education: message, community and service (“To Teach as Jesus Did”).

Educational Goals

- To broaden the students’ understanding of God’s love for us through the study of the Gospel and the teachings of the Roman Catholic Church. This is accomplished through religion classes, faith formation throughout the school day, attendance at Liturgy and Liturgical functions, formal Morning and Afternoon Prayer, and experiences that help our students translate their faith into service for others. In addition, the Loyola & Sadlier Religion Programs provide opportunities for interaction through family oriented activities. More information regarding the Religious Education Program is available in the Parish/School Religious Education grade level catechetical content booklet.
- To provide a safe and happy environment so that each child may grow spiritually, physically, emotionally, intellectually and socially. In each classroom, teachers strive to recognize the uniqueness of each child. Teachers assist students acquiring a desire for learning, using techniques and strategies to meet the learning style of each student.
- To provide students with the basic skills needed to be effective in all areas of life: language arts, including English, Speaking, Reading, Writing and Listening; Mathematics; Government; Citizenship; History; Science, including care of the environment; and technology.
- To provide students with the opportunity to learn about and appreciate the fine arts through study of: art history, art appreciation, the development of artistic ability; and music, choir, including band, liturgical music, and the opportunity to perform in plays.
- To provide students the opportunity for physical development, health and safety through the physical education and sports programs.
- To provide students with keyboarding and various software application skills that will prepare them for today’s technological needs in the work field.
- To continue to provide ongoing education for faculty and parents on the topics of assessment differentiated instruction, and technology.

Statements of Belief

- Catholic identity is demonstrated through the integration of Catholic faith and values into everyday learning and life experiences.
- Each student is a unique child of God, with diverse cultural characteristics and distinct traditions.
- The opportunity for success is an important component of student learning incorporating a variety of teaching and learning styles.
- A healthy learning environment is a shared responsibility among pastor, principal faculty, parents, students, and the parish community at large.
- A supportive and challenging learning environment increases a student’s potential for responsible decision making, while allowing for creative expression and academic success.
- A safe and comfortable school climate fosters spiritual growth and the realization of student potential.
- Ongoing evaluation and improvement of the curriculum are crucial to the development of a sound educational program.
- A nourishing Christian atmosphere of mutual respect among the students and staff creates a welcoming community.

Mission Statement

"The mission of St. Peter Catholic School is to form disciples rooted in the teachings of the Catholic faith within a safe, caring environment."

Philosophy

St. Peter Catholic School exists for the purpose of assisting parents in the task of preparing their children to be witnesses of their Catholic faith by living according to Christian values. The unique feature that distinguishes a Catholic school from other schools is its’ integration of the Catholic Faith, human knowledge and skill.

St. Peter Catholic School is child-centered because Our Lord was people-centered. Hand in hand with parents, the staff is committed to total development of body, spirit, mind, and heart.

The Catholic school system is a private system. You request to send your child here. ***Consequently, the philosophy and discipline of our system must be accepted. It may not suit every child or parent.*** We reserve the right to request that your child pursue his/her education elsewhere if they (parents/students) refuse to accept our rules and regulations. **Your child/children has/have been accepted under the condition that you worship God weekly in Church.** Otherwise, the Christ-centered philosophy of our school is not apparently meaningful to you and it is unfair and unjust to deprive another boy or girl entry to our school when, in fact, their parents are convinced and worshipping Christians.

Accreditation

St. Peter Catholic School was re-accredited through the Florida Catholic Conference of Bishops in 2017.

Faculty and Staff

The Faculty and Staff represent many nationalities bringing with them a diversity of educational backgrounds as well as a richness of culture, Catholic values and Catholic heritage. Faculty members received their degrees from a variety of colleges and universities throughout the United States as well as internationally. **All of our teachers are qualified /certified by the Florida Catholic Conference, which is the accrediting agency for our school and the State of Florida.**
August 2018

Dear Parents:

Over the years, the Diocese of Orlando and the Office of schools have taken steps to ensure the safety of your children. We continually review the measures we have in place to protect your children and we often ask for your support in implementing new measures and procedures designed to make our schools a safe haven for your children.

To this end, we hope you will share the following with your children to help us ensure that wrongful conduct does not occur in our schools. The intent of this letter is not to alarm you, but rather to help all of us understand the limits of proper conduct we expect in our schools. While we hope never to have these problems in our schools, we want it clearly understood that the Diocese does not condone or authorize its employees, volunteers, coaches, or students to engage in any of the following activities:

- **Threatening or causing personal harm or injury**
- **Threatening or causing damage to school or Diocesan property**
- **Providing medical advice**
- **Conducting physical examinations of or providing shots to students (other than school-sponsored or sanctioned exams for scoliosis, vision, hearing, athletic fitness, diabetic treatments, or other medical treatments, all of which require written permission from a parent or guardian)**
- **Administering drugs, including any over the counter medication, in the absence of express written permission from a parent or guardian per Diocesan policy**
- **Providing massages or other physical therapy**
- **Taking blood samples or performing any other medical procedure**
- **Examining the genitalia of any student, for any reason**
- **Touching an individual inappropriately**
- **Smoking or encouraging smoking on school property**
- **Asking a student to undress or observing a student while he or she is changing clothes at school or a sporting event, other than necessary supervision in a locker or approved changing area**
- **Denigrating or abusing any child, volunteer or employee**

We also ask you, as parents, to help us identify these and any other inappropriate activities that take place in our schools. Please report them immediately to the Principal or the Office of Schools. Should your child observe or experience these or similar activities, he or she should feel comfortable telling you, or the Principal. Our experience and that of experts, particularly in the area of school violence, is that tell-tale signs (e.g., severe mood changes, emotional outbursts or irrational conduct, fascination with guns or incidents of violence, indirect and direct threats) usually exist before the actual violent act occurs. Early intervention, therefore, is the key to avoiding a tragic situation. We cannot possibly identify all the improper conduct that might occur, but we ask you as parents to use your common sense and report anything that you believe is inappropriate. Your cooperation in enforcing these guidelines is greatly appreciated.

Working together, we can continue to provide your children a caring, loving environment and the best Catholic education. Please call me if you have any questions or concerns about this letter.

In Him,

Peter C. Randlov M. Ed.

Diocese of Orlando School Policies

Acceptable Use Policy

Bishop Thomas Wenski promulgated a Diocese of Orlando Network Acceptable Use Policy for all parishes, schools and entities of the Diocese of Orlando. Our current bishop, Bishop John Noonan continues to promulgate this same policy. This policy is important for the protection of Diocesan intellectual property, as well as assuring the safety of the users. **Parents are asked to review the entire policy by going to the Links section of our school website.**

There are specific parts of the policy that pertain to school parents and their children who are students in St. Peter Catholic School. These sections have been distributed to all school families. This policy supersedes any other policy which you may have previously signed regarding the use of the internet. St. Peter families must sign an acknowledgement that they have received the pertinent information and will abide by Diocesan policy.

Child Abuse Reporting

Any clergy, religious or lay employee or volunteer in the Diocese of Orlando who knows or has cause to suspect that a child has been subjected to any form of abuse or neglect by any person, including another diocesan employee or volunteer, religious or clergy, immediately will observe the following procedures.

- Contact the Florida Department of Children and Families toll free abuse registry hotline within the same calendar day.
- Respond to local DCF call back with additional information.
- Cooperate with any and all authorities in the investigation of any child abuse report.

Custody

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known. A list of adults (with their phone numbers) authorized to pick up students involved in custody settlements must accompany the court-certified decree and will be strictly adhered to. The school respects the rights of the non-custodial parents. In the absence of a court order to the contrary, St. Peter Catholic School, on request, will provide the non-custodial parent with access to academic records, parent/teacher conference and to other school related information regarding the child.

Fingerprinting Policy

The Diocese of Orlando requires all persons employed by the Diocese, or persons who volunteer in any capacity with children or the elderly, to be fingerprinted. A background check form must also be completed. To set up an appointment to get fingerprinted, please go to www.fingerprintflorida.com or you may go through our link on our school website..

Inappropriate Behavior or Language Policy

The Diocese of Orlando believes that all inappropriate behavior or language (harassment and/or sexual harassment) by students is unacceptable. As soon as a teacher, coach or administrator is aware of behaviors or language that could be considered harassment, or knows that students use sexually explicit language to other students, those knowledgeable and responsible adults will take immediate action to correct the behaviors. Disciplinary action will be taken if the harassment or behaviors continue.

Media Consent Policy

The Diocese of Orlando requires that all students must have a signed Photo / Video Release form in their permanent record before their image can be published in the school, diocesan, or local newspaper, on the Internet, or in any other media approved by St. Peter Catholic School and the Diocese of Orlando.

Review of Records

The school voluntarily complies with the Buckley Amendment and allows parents to see their students' cumulative record file. A written request to the administration must be submitted by the parent, and will be complied with by the school within 24 hours.

Safe Environment Training

The Diocese of Orlando is required by the United States Catholic Conference of Catholic Bishops (USCCB) to follow specific guidelines with regard to safe environment training. Therefore, the Diocese of Orlando requires that all employees and volunteers working with children and vulnerable populations must receive the Diocesan mandated Safe Environment Training. Detailed information has been provided to all employees and school families. The Diocesan requirements must be met in order for individuals to volunteer in any capacity within the school.

St. Peter Catholic School adheres to the tenets of Title IX: "No person in the United States shall, on the basis of sex, be excluded from participating in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance."

If tuition is more than one (1) month in arrears, parents may be asked to find another educational facility for their child (ren).

FINANCIAL OBLIGATIONS

TUITION POLICY

To qualify for the Catholic School tuition rate, you must be registered in a parish and participating in the total parish stewardship program of time, talent, and treasure. St. Peter Parish members are required to fulfill their stewardship amount of **\$750.00** each year (January-December). Prior to registration in the spring of each year, it is the responsibility of the parents to submit a Stewardship Participation Form for their pastor's verification and signature. This is to be accomplished by the deadline set forth on the form.

Forms submitted after the deadline cannot be considered for the parish tuition rate.

The above applies to those from St. Ann's, St. Clare's and Our Lady of the Lakes or other nearby parishes as well.

For new registrations, a letter is needed from their former pastor verifying their church participation and stewardship.

OTHER FEES:

Activity Fee: \$75.00 per student

Technology Fee: \$95.00 per student (covers maintenance, upgrades and software for computers)

Chromebook purchase (6-8th gr. one time only) - \$500.00

Monthly: processed through FACTS (\$38.00 fee) - based on 11 payments beginning in July 2018 and ending in May 2019 (choice of the 5th or the 20th of each month)

- c) If a student enrolls after school starts, tuition will be prorated according to the amount of time missed.

Option 2: processed through FACTS (\$10.00 fee) - based on 2 payments due June 30 and December 30.

FACTS Management Service Overview

- Brochures and enrollment forms are available in the school office.

DELINQUENT TUITION

Parents with delinquent tuition accounts shall be notified first by written statement and then by telephone. Lack of response will result in personal contact with the Tuition Review Board and the notification to our collection agency to begin collection action.

FACTS withdrawals can be made on the 5th and/or the 20th of each month. If missed payments occur due to insufficient funds, FACTS will re-attempt after 10 days of the original due date. After that FACTS will pursue the missing payment via their follow-up service. There will be a \$20 charge assessed by FACTS for a missed insufficient payment or a returned check fee of \$25. **Please read your FACTS tuition contract for any additional fees.** Parents will not be able to view grades on Parent Portal until delinquent accounts are brought up-to-date.

Withdrawal Policy

Families must notify the school in writing (complete an exit form) if a student is withdrawn from the school. **Registration fees are non-refundable.** Tuition will be prorated for services given.

RETURNED CHECKS/INSUFFICIENT FUNDS

A fee of \$40.00 will be charged each time a check made payable to St. Peter Catholic School is returned or rejected by a financial institution due to **“insufficient funds”** in the applicable account.

Report cards, cumulative and health/immunization records will not be released until all tuition and other fees are paid in full. Current year's tuition must be paid by May 20th in order for the student to be acceptable for the following year.

Tuition rates at St. Peter School are very low in comparison to rates of other local private schools. The cost of operating the school is increased when parents are delinquent with their tuition payments. Parents should include tuition fees in their monthly budget with other bills they have to pay each month.

Reduced tuition payments: Any St. Peter parish family parent who foresees that they will be unable to make the full tuition payments will be given every consideration by the School Board. Financial aid request forms must be filled out and returned to the School Board Finance Committee. A reduced rate will be considered. Such arrangements must be made on an annual basis and are reviewed each year in May.

CHURCH PARTICIPATION AND STEWARDSHIP 2019/2020

Parents who are Catholic are expected to participate regularly at Mass each weekend on Saturday evenings or Sunday mornings.

As registered members of St. Peter parish, they are expected to take an active part in parish activities by sharing their time and talents. They are expected to share their treasure by contributing to the support of their parish using church envelopes on a regular basis. An annual (January, December) cumulative contribution of \$800 is expected in order to qualify for the Catholic tuition rate. Building pledges are in addition to weekly parish contributions. Parents who are members of a parish other than St. Peter are expected to meet the same conditions in the parish they attend. They are also subject to any additional conditions imposed by their respective pastors in order to qualify for subsidy from their respective parishes.

PARENTS' ROLE IN EDUCATION

We at St. Peter Catholic School consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life – physically, mentally, spiritually, emotionally, morally and psychologically. Your choice of St. Peter Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his / her life.

Good example is the strongest teacher. Your personal relationship with God, with each other and with the school and church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into partnership with us at St. Peter Catholic School, we trust you will be loyal to this commitment. During these formative years (PreK-8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect for all authority. If there is an incident at school, it is your first step, that you as parents should investigate the complete story. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times your child may perceive discipline as restrictive. However, it is boundaries and limits, which provide a young person with both guidance and security.

It is essential that a child takes responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and any other assignments. This responsibility also extends to times of absence, and/or tardy, and early dismissals.

Together let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

PARENTS AS PARTNERS

As partners in the educational process we ask parents:

- to set rules, times, and limits so that your child:
 - gets to bed early on school nights;
 - arrives at school on time (by 7:45 a.m.) and is picked up on time (3:00 p.m.) at the end of the day;
 - is dressed according to the school dress code;
 - completes class assignments on time;
 - has lunch money or lunch every day;
- to actively participate in school activities such as Parent-Teacher Conferences, Fundraising and Volunteer Hours;
- to see that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student;
- **to notify the school with a written note when the student has been absent or tardy;**
- to notify the school office with a written note of any changes of address, important phone numbers, or add/delete pick up lists;
- to meet all financial obligations to the school;

- to inform the school of any special situation regarding the student’s well-being, safety and health;
- to complete and return to school any requested information promptly;
- to sign your child’s planner every evening;
- to read school notes, homework sheets and newsletters and to show interest in the student’s total education;
- to support the religious and educational goals of the school;
- to support and cooperate with the discipline policy of the school;
- to treat teachers with respect and courtesy.

PARENT TEACHER ASSOCIATION (PTA)

PTA has as its primary purpose the organization and implementation of parent volunteer programs for the school, and a commitment to fundraise each year to enhance the education of our students. Each family is expected to contribute towards and assist in our PTA fundraising efforts.

SCHOOL BOARD

The purpose of the St. Peter Board is to promote the value of Catholic education. It is a consultative board - a board that operates in the policy making process by formulating and advising the school principal concerning school policies, but never enacting policy. Currently, the School Board assists the school in implementing the goals and objectives developed by the St. Peter Catholic School Strategic Planning Committee 2018 - 2019.

SCHOOL GENERAL INFORMATION

School Hours **Drop Off – by 7:45 a.m.**
 Monday- Friday 7:50 a.m. – 3:00 p.m.

If an emergency should occur and parents realize that students will not be picked up on time, please notify the school office before the end of the school day since it is not safe for children to be left alone on the school grounds. Students who are not picked up on time will be sent to the After School Program.

Supervision of students begins at 7:30 a.m. Students must be in the school courtyard for Morning Prayer no later than 7:50 am. Students arriving after 7:50 am will be marked tardy.

Picking up students before 3:00 pm disturbs the entire class. Please refrain from doing this unless there is an emergency.

OFFICE HOURS

School office is open from 7:30 A.M. to 3:30 P.M., Monday thru Friday. Communication is encouraged and welcome. Your child’s well-being is important to all of us. The first step in resolving an issue that may arise is with your child’s teacher, as they are with them daily. The next step is the principal; the principal is available in the school office. Please call to setup an appointment with the principal.

SPECIAL MEETINGS

When special meetings for parents of students who are preparing for their First Holy Communion, Penance, or other events are planned, all parents concerned are expected to attend. Nothing should be more important than caring about your child. Participation in the PTA (Parent Teacher Association) is also encouraged.

CHANGE OF ADDRESS/PHONE

Change of address, home phone, or emergency phone numbers should be reported to the school office as soon as possible.

WRITTEN PERMISSION

If for any reason students must leave class during the hours of school, written permission must be given by the parents. Children will not be allowed to leave the school grounds on a verbal request at any time. Parents must sign the student out on the “sign-out” sheet in the school office.

CARE OF SCHOOL PROPERTY

Students are not allowed to mark desks, rented texts, chairs, walls, or other school furniture. Students will be required to have any defaced books, broken furniture, or equipment repaired or replaced. Throwing “spitballs” in the bathrooms or classrooms is never allowed.

Hazardous Materials Policy

St. Peter is re-inspected periodically for asbestos, arsenic and radon as required by the Environmental Protection Agency and the Diocese of Orlando.

BEFORE AND AFTER SCHOOL CARE

1. Before school care is available at 6:30 A.M. in the extended care room. Students on the school grounds before 7:30 will be sent to before school care.
2. After school care is available from 3:00 P.M. - 6:00 P.M. in the extended care rooms. Parents will be billed for before and after school care services.
3. PreK 1/2/3 yr. old is only available from 7:30am – 4:00pm.

ATTENDANCE

Students are expected to be in attendance for 181 days each school year. Excessive absences during a marking period may affect a student’s grade for that marking period. In addition, they may also affect trimester grades. St. Peter Catholic School follows the Volusia County guidelines for absenteeism. This may require our school to report excessive absence to the proper authorities. A student’s ability to be promoted to the next grade or graduate may then be in jeopardy. There is direct correlation between attendance and achievement...simply put; the more the child is in school he/she will be successful.

VPK Attendance Policy

Every child enrolled in the VPK program is allowed 20% of the total number of days of the program for excused absences. What this means is each child may be absent a total of 36 days.

- Two unexcused absences per calendar month are allowed.
- An excused absence is defined as one of the following:
 1. **Illness or injury of the child or the child’s family member, which requires hospitalization or bed rest.**
 2. **Physician or dentist appointment**
 3. **Infectious disease or parasitic infection.**
 4. **Funerals or memorial service, or bereavement upon the death of a family member.**
 5. **Life-threatening illness or injury of the child’s family member.**
 6. **Compliance with a court order (e.g. visitation, subpoena).**
 7. **Special education or related services for disabilities.**
 8. **Observance of a religious holiday or services.**
 9. **Family vacation, not to exceed five excused absences per program year.**
 10. **Extraordinary circumstance beyond the control of the child and the child’s parent.**
- If a child is absent five consecutive instructional days without appropriate documentation, he is considered withdrawn from the program.
- If a child exceeds the 36 days absentee allotment, he/she will be considered withdrawn from the program.
- Failure to abide by the attendance policy stated above will result in termination of the child’s enrollment in the program.

***Policies and procedures for the VPK program follow at the very minimum the state requirements.**

SICKNESS POLICY

Students having communicable diseases and or a temperature of 100 degrees or above are not permitted to attend classes. Students who become ill during the school day will be sent home with a parent or guardian. We will not serve children with:

- **A skin rash that has not been identified by a physician**
- **Diarrhea and/or vomiting**
- **Severe coughing**
- **Conjunctivitis (red eyes with or without drainage)**
- **A moist or open cold sore**

The school follows the Volusia County Health Department guidelines. Students who have communicable diseases must check with the school clinic before returning to class. A physician's statement is required stating that the child is free from disease and that returning poses no risk to the child or others upon returning to school. As soon as the school has knowledge of a communicable disease or pediculosis (lice), parents of classmates of the infected student are informed. Siblings are automatically checked. A doctor's note is required for absences exceeding 3 consecutive days due to illness.

Medication

Administering Medication to Student Guidelines

1. Prescription and over the counter medications require proper written authorization. Instructions on the back of over the counter medications will be followed by clinic staff unless doctor written authorization says otherwise.
2. The "**Student Medication Authorization**" form must be completed, signed by a parent / legal guardian and the prescribing physician. This form needs to be returned to the School Office at the beginning of each year or at the time the student needs the medication during school hours. The form must be filled out for each medication that your child needs to receive during the school day. Any change in physician's information, in medication, dosage or directions will require the completion of a new medication authorization form.
3. Children under prescription of Epi-pen will be required to fill out additional and specific forms.
4. The authorization form and the medication must have the child's full name, name of medication, directions/ dosage / route, time of day to be taken, physician's and parent's name, signature, and phone number. The medication must have a current expiration date.
5. **All medication must be administered by school personnel, not by students.**
6. The clinic of the school will only store medications for students who have a completed written authorization on file.
7. The parent/legal guardian will be notified in writing when unused/discontinued medication is left at school. **If not picked up within five days of notification, the medication will be destroyed.**
8. Any questions or concerns regarding the administration of medication should be directed to the School Office, who will determine the appropriate action.

TARDINESS AND DAILY ARRIVAL AND DISMISSAL

As elementary school children cannot drive themselves to school, it is the parent's responsibility to get their children to school on time. Please make every effort to have your child at school by 7:50 A.M. daily. A student who comes late to school not only misses important announcements, morning routines, and instructions, but also disrupts the class and may distract other students during instructional times.

If a student is not sitting in class at 7:50 A.M. he/she is officially tardy. Any student late for school must get a tardy pass and have a responsible adult sign them in at the office. After the sixth occurrence, the student will receive an hour of after school detention, for students in grade 3 thru 8. For students in K, to 2nd grade the teacher will have 1/2-hour detention in the classroom.

PERSONAL BELONGINGS

Mark all articles of clothing, lunch boxes, wallets, purses, book bags, coats, and sweaters with the child's name. Only labeled belongings can be returned to the owner. After a time, any unclaimed articles will be given to a charitable organization.

Except when directed by a teacher, students are not allowed to bring games, radios, smart technology, magazines, skateboards, weapons, or roller skates to school. These may be confiscated and returned at the school's discretion. Please monitor the amount of money your child brings to school. The school will take no responsibility for excess money in a child's possession.

NEWSLETTERS/SCHOOL NOTICES

Bulletins, announcements, and notices will be sent home on Thursdays during the school year, in order to keep you informed. Please read these notices and keep the monthly calendar on hand and are posted on the school website.

ABSENCE

When a student is absent from school, a parent should call the office by 9:00 a.m. each day of the absence. This practice is for the protection of the St. Peter Catholic School students.

A written statement giving reasons for the absence or tardiness must be brought to the student's teacher upon the student's return. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility. Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

Please use your PARENT PORTAL or CLASSROOM DOJO to access classwork/homework assignments for missed days. If you have any questions, please contact your child's teacher via email which can be found on the school website.

For short absences, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school. **Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation.**

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. **These tests must be taken within one week of the original test date. Excessive absence can be cause for a student to be retained in the current grade for another year if the student does not pass the grade.**

Evaluation of Students

Students are evaluated for mastery of skills and content during each trimester. Each department, primary, elementary and middle school has evaluation procedures suited to the levels of the students. The purpose of all evaluation is to document academic progress. Students are also assessed in behavior and effort. Report cards are distributed every twelve weeks. Our policy of open communication invites parents to contact teachers whenever they feel it is necessary. This should always be done through the school and never at the home of the teacher. Middle school cumulative trimester exams are scheduled on the school calendar.

Standardized Testing in the Diocese of Orlando

All schools in the Diocese of Orlando are required to administer standardized testing as an integral part of the total instructional program. This testing, however, is *not* "high-stakes" – the results are not used to determine teacher efficacy, nor are they used solely to determine a child's promotion or retention. Test results/scores are simply one measure of the total composite of a child's individual academic progress; thus, the information is used to assist teachers in meeting the specific and targeted learning expectations for a child's appropriate developmental level. This information is critical in helping our teachers provide the best educational opportunities for our students.

Given the number of benefits derived from the standardized testing, the Diocese of Orlando does not allow a parent or a student the choice of "opt-out" of testing. Students who are absent for any reason, including medical absences, during the school's designated testing window will be rescheduled for testing upon his/her return to school at the discretion of the school's administration. Students will not be exempted from taking standardized tests.

Accommodations or modifications will be offered as required to meet the qualified child's learning needs. This means accommodations or modifications are allowed *only* when specifically indicated through testing via a professional evaluation completed as part of the IDEA Child Find process by the public school District, or through a private psychological-educational evaluation approved by the Office of Catholic Schools.

In addition, Catholic schools in the Diocese of Orlando do not write 504 Student Disability plans. Accommodations or modifications are offered at the sole discretion of the school staff and must be based on an evaluation of the documentation provided and other factors deemed relevant by the school staff.

STUDENT SERVICES

School Guidance Counselor

Requests for Student Information

Parents may need information from teachers regarding their children's academic, social and/or emotional progress in school when they are seeking outside help from professionals. St. Peter Catholic School is **committed** to working with parents to get necessary paperwork completed in a timely manner following the rules for privacy for all students. If you need any information for doctors, counselors, psychologists, psychiatrists, or tutoring centers, please bring all paperwork to the school registrar in the school office. The school office will distribute the papers to be completed to the proper teachers. The information will then be sent to the professional you have indicated. Teachers are not permitted to complete forms unless the forms come through the school office.

Programs and Services:

Resource

St. Peter Catholic School is very proud of our resource program. We are able to meet the learning needs of many of our students who struggle with reading and mathematics in grades Kindergarten through 5th grade on a daily basis. Our Resource teacher works with students on an individual or small group instruction basis giving our students the necessary skills necessary in reading and mathematics. Where appropriate, the resource teacher will visit the student(s) classroom and assist the homeroom teacher with class instruction for those needing services. This approach is known as "push-in." For students in grades 6th through 8th grade this service is offered on an individual basis. There would be additional criteria that would need to be met for this service. Please see the resource teacher and guidance counselor for criteria.

Title I Program

Title I is a federally funded program intended to enhance classroom instruction in reading, writing, and math skills. The criteria for this is based on standardized test scores (TERRA NOVA and STAR), classroom assessment portfolio, and teacher recommendation. In addition, Volusia County determines which of its public schools are Title I schools. Students who qualify based on test scores and teacher recommendation must also be zoned for a Title I public school. Where appropriate a title I teacher may be assigned to work with a student or students during the academic day or immediately after school. For details about this service please speak to the Resource Teacher and Guidance Counselor.

Title III: ESOL

English Speakers of Other Languages (ESOL) is a comprehensive program which provides instruction to improve English language proficiency of students at all levels.

Drug Abuse Resistance Education (DARE)

DARE is an 11-12week program offered to students in Grade 5. An officer from the Deland Police Department is assigned to St. Peter Catholic School to explain and discuss the resistance to drugs and negative peer pressure.

Duke University Talent Identification Program (TIP)

Duke University recognizes students in Grade 7 who have scored at the 95th percentile or higher on certain sections of the TERRA NOVA. These students are invited to take the SAT or ACT college entrance exam. They also qualify to participate in higher learning programs.

NATIONAL JUNIOR HONOR SOCIETY

St. Peter Catholic School is a member of the National Junior Honor Society of Secondary Schools (NJHS). It is under the sponsorship and supervision of the National Association of Secondary School Principals. Members are selected after the second grading period of the school year.

Guidelines for Selection:

1. Membership is selected from grades 6, 7 & 8.
2. Candidates must be in attendance at this school the equivalent of one semester.
3. Candidates must maintain an A in conduct, and all "I's" in conduct.
4. Candidates must maintain a cumulative scholastic average of 94 percent in the core subjects (Math, Science, English, Social Studies, Literature, Religion, Spanish, Music, Art, P.E., and Computers).
5. Selection is based on five criteria: Scholarship, leadership, service, citizenship, and character.
6. The selection of each member of the chapter shall be by a majority vote of the Faculty Council on behalf of the faculty and administration.
7. Students may not apply for membership. Membership is an honor bestowed upon individual students by the Faculty Council on behalf of the faculty and administration.
8. N.J.H.S. members who transfer from another school will be accepted if a letter from the student's former school states that the student was a member in good standing in the NJHS.
9. During the last trimester, N.J.H.S. members must maintain a 92% average on the progress report.
10. Must meet minimum AR requirements.

Members who do not abide by the above criteria will be placed on probation for one trimester. A repeat offense will result in dismissal from NJHS.

Talking about Touching:

A Personal Safety Curriculum

The Talking about Touching program focuses on teaching children basic skills that will help them keep safe from dangerous or abusive situations. The Diocese of Orlando has mandated the program be taught to students in grades Pre-K – 3. The school counselor will present the program during the first weeks of school. The goal of Unit I, Personal Safety, is to increase the children's knowledge of and adherence to rules that will keep them safe. The goal of Unit II, Touching Safety, is to strengthen children's ability to distinguish between safe touch and unsafe touch and to increase their knowledge of safety rules about touching. The overall focus is on safety, rather than sexuality, which helps defuse the difficult nature of talking to children about sexual abuse. Letters home to parents keep them informed about what is being presented in the classroom.

NON-PROMOTION AND NON-GRADUATION: DIOCESE OF ORLANDO

Parents will be informed of possible non-promotion or non-graduation for academic deficiency at the beginning of the second trimester or as soon as possible thereafter as the condition exists. Arrangements will be made for consultation with the parents. Teachers determine promotion and retention based on the overall achievement of the student. The guidance counselor and administration are consulted if there is a possibility of retention. The parent must be notified of possible non-promotion or non-graduation at the beginning of the second semester.

In all grades students are expected to pass the core subjects (math, language arts, spelling, reading or literature, science, social studies) with 60% or better. **If a student should fail two of the core subjects, retention would be automatic.** If a student should fail only math, only language arts, or only reading, the teacher would recommend the parent secure summer tutoring for the student in the particular subject. In grades one through eight, teachers have the final say in promotion or retention with consideration from the administration. Deficiencies in social maturity and skill development are a strong consideration for retention in pre-kindergarten or kindergarten.

Field Trips

Field trips are considered part of the curriculum and are a privilege. All students are expected to attend class field trips or attend school for the day. A Diocesan Field Trip Permission form is sent to the parent for completion and returned to St. Peter Catholic School prior to student participation in the field trip.

1. Field trips are designed to correlate with teaching units and to achieve curricular goals.
2. All grades do not always have the same number of field trips.
3. Field trips are permissible for all grades when advanced planning, location, and the experience ensure a successful learning opportunity.
4. Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
5. A written official permission slip, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission cannot be accepted. (Permission slips are due back forty-eight hours after receipt of the permission slip or as stated by the teacher).
6. The school field trip permission slip and the letter of introduction will be sent home by the teacher sponsoring the field trip. This is the only permission form which may be used.
7. A telephone call will not be accepted in lieu of the proper field trip permission slip.
8. Students who are participating in the field trip must ride the bus to and from the field trip with their class. Students not on the bus may not participate in the field trip and will be counted absent for the day.
9. All monies collected for the field trip are non-refundable.
10. Cell phones are not allowed on field trips unless otherwise directed by the teacher and/or administration.

Sacramental Formation Program

The St. Peter Catholic Church Sacramental Formation Program is under the direction of the Parish Director for Religious Education. Parents will be required to pay the return fee for checks that do not clear. If students do not participate in the hot lunch program, they bring a brown bag lunch. Any athlete with repeated behavioral issues or discipline referrals will be asked by the Athletic Director or administration to miss play time, miss a game, or be excused from their team after (2) offenses.

Sports Philosophy

We believe that the sports program should complement and work directly with the teachings and Catholic philosophy of St. Peter Catholic School to promote the overall education, growth, and development of our students. Individual responsibility is taught and expected of all involved. This is achieved through the cooperation and involvement of students, parents, coaches, faculty and parish. While having winning teams is an important part of any sport, the primary goal is to develop students who put forth a winning attitude toward life and school. Victory will come as a natural result of this attitude. *Success is knowing you have done your best!*

Sports Fees and Standards for Participating

The following criteria must be met to participate in the sports program:

1. Pay a nonrefundable fee for each sport which is payable when a child is accepted on a team.
2. The child must maintain a "C" average in all subject areas including special areas and an S in Conduct and Effort.
3. The team coach is responsible for discipline at practice and games.
4. It is a privilege to participate as a member of a St. Peter Catholic School sports team. The Principal reserves the right to remove a student, temporarily or permanently, from a team. See the *Code of Conduct Handbook*.

Insurance

Every child at St. Peter Catholic School is covered by the Diocesan insurance plan for the hours he / she is under school supervision. Twenty-four hour coverage is available at an extra charge. Applications for such coverage will be distributed at the beginning of the school year.

TEXTBOOKS/BOOK BAGS

To help keep their books and other school materials in good condition, all students are required to have and use some type of carrying case. Textbooks, which are rented by students, and workbooks, are to be kept covered and clearly identified. Children are financially responsible for the loss or damage of any school-owned materials.

Gifts

Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students. **Invitations for parties are the parents/student's responsibility and should be sent to the homes of students via the U.S. Mail unless an invitation is being given to every student in the entire grade, or all the boys or all the girls.**

Parties

At the Homeroom Teacher's discretion students may be permitted the following parties a year: Advent, and Valentine's Day. Homeroom parents may assist the classroom teacher with these two parties.

EMAIL THREATS OR HURTFUL STATEMENTS

The age of technology has given way to a new problem. The problem arises in that students and adults have the ability to make negative, untruthful statements about staff and other students. Blogs, text messaging, websites, Facebook, Instagram, Twitter, Snapchat, etc... offer students and adults the opportunity to post potentially defamatory statements about others. Despite their quasi-public figures, the courts now have taken a stand on this issue and state that teachers have the same right to their reputation that other people have. Administrators can punish students who defame others in the school community. Deliberate defamation of others is not consistent with Christian values, and students and adults should be held accountable for intentional hurt they cause others.
