

Happy  
Thanksgiving

---

November 20, 2020

Dear Parents/Guardians,

Thanksgiving break is finally here!! I told the students that I was very thankful for seeing their smiling faces every day. And grateful for you, the parents, for sending your children to St. Peter and for partnering with us in their growth. I wish all of you a blessed Thanksgiving with your families and time to renew and rest.

This year, due to Covid we will not be able to perform our annual Advent Program, but we are so excited to virtually share with you St. Peter's version of the "12 Days of Christmas"! Please be on the lookout for when the video is posted.

Please see below for happenings at St. Peter:

- Drive by Christmas Parade December 5<sup>th</sup>. The PTA will be needing volunteers to help build our stationary float Friday, December 4<sup>th</sup>.
- Christmas Extravaganza December 11<sup>th</sup> at Epic movie theater in Deltona.
- St. Peter will be having our annual golf tournament January 23<sup>rd</sup> at the DeBarry Country Club. Please see the website below to sponsor and sign up to play! A wonderful time

will be had by all and I will be driving the beer cart! Please start getting your groups together to tee off and sign up for this fun day that benefits our students.
