

# St. Peter Catholic School Communication

January 8, 2021

Advent is a season of waiting and anticipation. How we do this is completely up to us. We can wait and anticipate in dread or we can do so joyfully. Waiting requires patience. We are waiting for the joy that Christmas brings, the birth of our Savior, Jesus Christ. Our Advent refrain should be "Wait! Wait for the Lord! Be strong, patient, and courageous and wait for the Lord!"

**Happy New Year!!!**

## **Enrollment**

Enrollment is now open for the 2021-2022 school year. Mrs. Baines will be sending out a link this afternoon so that you may begin the reenrollment process for your student. We are asking that you complete this by February 2. We have many new families applying and want to be able to secure your child's place. Existing families will be given priority, but you must enroll your child. As I shared earlier, we will not be raising tuition for the next school year out of sensitivity for our families that have struggled economically due to COVID. In this same spirit, we will be placing the registration fee as an incidental in FACTS. This will not be due until May 31<sup>st</sup>. Please do not let the inability to pay the registration fee impede enrollment. The technology and activity fee will also be placed as an incidental fee and will not be due until July 31<sup>st</sup>. If you have any financial questions or concerns, please reach out to Madeline Olmeda at [molmeda@stpeter-deland.org](mailto:molmeda@stpeter-deland.org).

## **Talking to Your Children about Events from Wednesday**

If you are like me, your head is still reeling with what happened on the Capitol this past Wednesday. With that may come questions from your child. How do you answer them? What is age appropriate? Below is a link to a terrific website called Common Sense Media. It offers great suggestions based on your child's age of how much to share.
